

‘EcoSeminar 2003’ – Workshop on Sustainable Development

Date: 25-26 August 2006

On August 25-26 the Kolkata-based organisation ‘ecoseminar 2003’ with the support of the Max-Müller Bhavan, New Delhi, and Heinrich Böll Foundation held a two-day workshop on sustainable development at the Indo-German Chamber of Commerce. Various aspects of sustainability from "curricula for sustainable development in institutions of higher education" to "sustainable energy options" were addressed by international scholars and debated in lively floor discussions.
